RMA Post-Secondary Scholarship Program

The 2018 application term is now open and closes August 31, 2018

In recognition of the importance of an educated population to the future well-being of rural communities, the Rural Municipalities of Alberta (RMA) established the RMA Scholarship Program in 1995. The RMA Scholarship Program is designed to encourage young rural Albertans to pursue further education, and thereby enhance the ability of these young people to make meaningful contributions to their communities in subsequent years. A scholarship in the amount of \$1,000 is presented to one successful applicant from each of the five districts.

Eligibility and Application Procedure

- Be registered in his or her first four years of study at a recognized post-secondary institution (i.e. the applicant must not have any previous degrees or diplomas); and
 - Preference will be given to candidates attending a recognized post-secondary institution in Alberta, except in instances where the chosen program of study is not available in Alberta.
