

M.D. of Fairview No. 136 Agricultural Service Board
Mission, Vision & Values

Mission

To enable prosperous, diverse and sustainable agricultural industry by creating, maintaining and administering ASB programs, services and policies.

Vision

To create and maintain a prosperous, diverse and sustainable agricultural industry in the Municipal District of Fairview.

Values

- **Respect People**
We believe in strong relationships, and partnerships that build our connections with the people of the Municipality.
- **Focused and committed to Ratepayers**
We believe individuals, families and businesses should receive a number of agricultural services in their Municipality. We should provide agricultural services that assist ratepayers and encourage growth in the Municipality.
- **Preservation of Agriculture**
- **Equality**
We believe that all producers (regardless of size) should receive access to support, services and benefits provided by the Municipal District.
- **Accountability**
The Municipal District Agricultural Service Department and Agricultural Services Board members will manage our activities and programs in a fiscally responsible manner.
