

CEMETERY INFORMATION AND GUIDELINES

Plot Information:

For Cremated Remains:

-If plot is vacant up to four urns may be placed in each corner (NW/NE, SW/SE).

-If plot contains a casket up to two urns may be placed with one urn at the head of the plot and one at the foot.

All urns must have a minimum of 18 inches of dirt cover.

Maintenance of Gravesites:

-Any grave plots purchased after October 1st, 2016, please see Bylaw No. 903 Section 5 (attached).

-Repair of settled gravesites is the responsibility of the family. Fill dirt is available at each cemetery for use.

Monument Guidelines:

-Each plot is allotted one half (1/2) of the cement runner and no wider than the plot width (1.5ft x 5ft).

-Maintenance of monuments is the responsibility of the family.

All burials and urn placements must be reported to the Municipal District's office at 10957- 91 Ave, Fairview with a copy of the Burial Permit.

Please refer to the cemetery bylaw for all rules & regulations of the cemeteries.
