**The Northern Alberta Development Council would like to invite you, your colleagues, friends, and family to participate in the annual “*Capture the North*” photo contest!**

**This year, we are casting far and wide in order to showcase the very best photos of northern Alberta; the ones that tell a story about the people who call the region home, give context to the places they live, the work they do and the natural beauty that surrounds them!**

For the 2018 contest, we are seeking photo submissions in the following four categories:

- 1) People At Work**– careers category focused on people serving people, such as teachers and students, hospital and healthcare staff, retail and service workers
- 2) Culture, Events, and History**– photos of festivals and community events, cultural celebrations, unique or historical storefronts, downtown core photos, the urban skyline, interesting architecture
- 3) Northern Family and Community Life and Recreation** – photos of families and friends enjoying campgrounds, ATVing, horseback riding, golfing, skiing, boating, fishing, anything that represents people hard at play in the North
- 4) Amazing North**– landscape photos of fields, forests, and other scenic depictions

To submit photos, visit the NADC website at [www.nadc.ca](http://www.nadc.ca) to download or manually fill out a printable contest entry form.

Entries can be emailed to [nadc.council@gov.ab.ca](mailto:nadc.council@gov.ab.ca) using the requested photo specifications along with the completed on-line contest entry form.
