Water and Agriculture Conference – REGISTER NOW!

The conference offers a number of valuable sessions for municipalities and agriculture producers.

Several rural municipalities, the Government of Alberta, and non-profit organizations have come together to put on a **one-day event** focused on building knowledge and capacity around water and agriculture. The event, hosted in Crossfield on November 22, focuses on the importance of agriculture in water management in Alberta.

For more information and to register, click [here](#).
