

Would you like to BETTER UNDERSTAND

- how to do your books?*
- what your accountant is saying?*
- why your computerized accounting system does what it does?*

Basic Bookkeeping Course

Learn basic accounting principles, how to record transactions, and how to prepare financial statements. As well, learn to reconcile bank accounts and do payroll—all in a fun, supportive environment!

Mar. 21—Apr. 20, 2017

\$280

Tuesday and Thursday evenings from 6—9

GPRC Fairview Campus
