ADJOURNMENT

14-640

Councillor Wieben

Moved that the November 10, 2014 Council Meeting be adjourned at 1:35 p.m.

CARRIED.

REEVE NEWMAN

CHIEF ADMINISTRATIVE OFFICER

AG FIELDMANS REPORT NOVEMBER 10, 2014

- The Regional ASB conference held in Rycroft on Oct. 24th went fairly well. 3 ASB members attended along with myself. 4 Provincial resolutions were presented and one Regional. M.D. of Smokey River hosts the 2015 Regional Conference.
- We held our ASB mtg on Oct 30th morning and then attended a PCBFA mtg that same afternoon. There were updates given to us on the fact that PCBFA has to now take on a cropping entity. The board members of PCBFA were also on hand. Cropping will now be part of their mandate along with the forage component. They have hired Kaitlyn Maclachlan to assist them with their new programming. They also had a guest speaker, David Irvine, who prides himself as a motivator and talked about Strategic Planning and Board Governance.
- 4 ASB members and myself attended a PARN, (Peace Agriculture Research Network), mtg on the afternoon of Oct 31st at GPRC Fairview Campus. Talk was of an Ag Programming concept for the Fairview Campus College and some updates were given by Chris Laue. At this point, not too much progress has been made towards ag related programs until they really get the feel of what programs would be beneficial. There was discussion on a applied research development plan and the need for funding the PARN initiative. I was really hoping to find out exactly what role they would play towards the municipalities and PCBFA and how many dollars we may have to budget for the 2015 year. No dollar figures were discussed as a more definite work plan needs to be put in place.
- I had attended Farm Fair with the Luken family in Edmonton Nov. 4-5th. The awards ceremony was fantastic and quite enjoyable. There were 17 Farm Families nominated this year, 4 from the Peace Region municipalities. The Honourable Verlyn Olson was in attendance and gave a speech on Agriculture plus congratulated the Farm Families.
- In the very near future, there will be a Fairview Seed Plant inspection, Nov. 13th, (even though I told James the plant is being remodeled), and I will also be hosting the Peace Region AAAF mtg on Nov. 19th at the DMI. If I am able to, I will try to attend the VSI AGM in Peace River with Peggy on Nov. 28th in Peace River. On November 30th, I will be travelling to Edmonton for In Service Training that takes place Dec. 1st-5th.
- I have a few areas by request that need brushing this winter as time allows for the public works crew and machines. There are also some piles from last winter that need burning.
- I am working on office duties and starting my budget so I can have a draft prepared for our next ASB mtg on Dec. 17th.

HAVE A GREAT MEETING

CAO Report Nov 10, 2014

- Bridge File #72969 was completed last week. Inspected on Oct. 30. Final costs came in \$1,895.00 below contract price with one site occupancy day and liquidated damages charged to the contractor.
- Next NAEL meeting is scheduled for Dec 19. I require confirmation from Ernie that he will be attending. Also, AB Health Services will be making a presentation and they would like to know if any municipalities have a particular topic they would like to discuss. If there are any topics we would like to suggest, I need to give the information to NADC prior to Nov. 30.
- Road Tour went well. Lots of bad roads with all the moisture, no frost and the inability of the graders to do anything about it. Travelled 300 km and had the opportunity to check out most of summer projects.
- Road gravelling ended last Friday.
- Safety Audit was completed and went well. Meeting to be held with the auditor on Thursday to go over the report.
- Carol and I had a teleconference meeting with the Lane Quinn representative Jeff Nichols. He has given us a proposal on a benefit package through their company which is the AAMDC members group plan. We had some concerns so he is going back to the carriers to get additional info.
- AAMDC new Customer Relations Manager stopped to see Carol and I as she made a trip North to introduce herself to member CAOs. Jeff Nichol was with her so Carol and I had an opportunity to discuss the benefit plan personally.
- The Whitelaw water and sewer extension work is complete. Final costs are not in yet. The rural customer has completed hook up to his residence for the water but the two hamlet residences have not yet hooked up. The amount of work and personal costs to them to complete their residential hookups are going to be quite expensive.
- Lagoons are all drained for the year and the all annual water and sewer testing is done
- Kevin, Sandra and I attended a site inspection of the paved road on Tegart's Subdivision. Also in attendance were Focus personnel, Ruel Bros. personnel and our engineer from OPUS-Stewart Weir. This was not a final inspection, just a site view before the winter. Our engineer was OK with the work and reassured us that the two guarantee period of the Developer's agreement would be adequate to have the developer responsible for any construction deficiencies.
- The online Management Reporter Training went very well and Carol can now create the monthly financial statements directly through this software integrated with the accounting software.
- Ernie, are you able to attend the Remembrance Day Ceremony to lay the wreath on behalf of the MD?

October 27 to November 10, 2014, Committee/Board Reports Ray Skrepnek, Ward 1

Nov. 3 MD Road Tour

Covered most of the current and completed projects.
