**PURPOSE
OF THE

A Planning Meeting for the Municipal District of Fairview.

Reeve Newman outlined tender costs and needs of the Fairview Airport. The Pilots were asked if they would like to contribute in one way or another.

The pilots were not hostile to the idea, but were not committed.

Discussion ensued on the proposed amendments to the Land Use Bylaw 876. This amendment would see a height restriction of 45 meters around a 4 km radius of the Airport. The pilots made this recommendation at the August 16, 2010 Public Hearing.

Council discussed the Ag. Service Board expenses for next year.
