

MUNICIPAL DISTRICT OF FAIRVIEW NO. 136

FENCE COMPENSATION POLICY

PURPOSE OF POLICY:

To set out the compensation to be paid to landowners when a fence is involved because of Municipal work.

POLICY:

1. The landowner will remove the old fence if he deems it salvageable and the Municipality will make no payment.
2. Should a fence remain in existence on municipal land at the time of construction, the Municipality will remove it as it sees fit.
3. If the landowner builds a new fence on their property within one year's time, to replace a fence damaged or removed by the Municipality, the Municipality will pay to the landowner the sum of \$1500.00 per ½ mile, for materials only compensation. No compensation will be made for any other purposes, ie labor.
