

MUNICIPAL DISTRICT OF FAIRVIEW NO. 136

LAND COMPENSATION POLICY

---

PURPOSE OF POLICY:

To set out the rates that the M.D. will pay when work is being done on private land and when extra land is needed for Municipal work.

---

POLICY:

The Municipal District covenants to pay the following amounts to the Owner for the purpose indicated.

1. Acquisition of Land: the sum of 8 times the farmland assessment
2. Back sloping: the sum of \$2.00 dollars per linear metre to achieve a back slope of 2:1.
3. Borrow Pit or Stock Pile Area: the total sum of \$1,500.00 dollars.
4. Brush Clearing: the sum of One (\$1.00) Dollar to be able to pile the brush on the above noted land with the understanding that the: (as per brushing agreement) will be responsible to burn the brush and clean up the site.
5. Intersection Brush Clearing: the sum of One (\$1.00) Dollar to be able to enter upon the above noted land to clear the brush.
