

MUNICIPAL DISTRICT OF FAIRVIEW NO. 136

HOOK ON POLICY - HAMLETS (SEWER AND WATER SYSTEMS)

PURPOSE OF POLICY:

To set out conditions under which people may hook onto the M.D. sewer and water systems.

POLICY:

The Municipal District of Fairview No. 136 will permit people to hook on to the sewer and water systems under the following conditions.

1. There is sufficient capacity in the system to accommodate the request.
2. A total payment of \$500.00 is required to hook onto both municipal water and sewer systems if there are no existing services on the property.
3. All Construction costs on the applicant's private property are born by the applicant.
4. All Residence/Business in the Hamlets shall be hooked up to the Municipal Sewage and Water Systems.
