

GRL37410. #1. SE-30-82-2-6. Log fill crossing along access trail.

2023.06.01

GRL37410. #2. NE-30-82-2-6. 3-5 m wide access trail through old MSL.

2023.06.01

GRL37410. #3. NE-30-82-2-6. Cleared former MSL access through peat.

2023.06.01

GRL37410. #4. NE-30-82-2-6. North fenceline fireguard (approx. 12 m wide).

2023.06.01

GRL37410. #5. NE-30-82-2-6. North fenceline fireguard (approx. 12 m wide). Soil piled up against fence.

2023.06.01

GRL37410. #6. NE-25-82-3-6. Burned post in northwest of lease.

2023.06.01

GRL37410. #7. NE-25-82-3-6. Dozer access area; along west fence; fence wires cut.

2023.06.01

GRL37410. #8. SE-25-82-3-6. Posts destroyed by fire along west fence.

2023.06.01

GRL37410. #9. SE-25-82-3-6. Most posts burned but not destroyed.

2023.06.01

GRL37410. #10. SE-25-82-3-6. Soil dumped on fence from dozer operations north of gate to lease on west fence.

2023.06.01

GRL37410. #11. NE-24-82-3-6. 3-5 m wide trail off fireguard; soil and woody material piled against standing timber.

2023.06.01

GRL37410. #12. NW-19-82-2-6. 7-10 m wide guard/trail; soil and woody material piled against standing timber.

2023.06.01

GRL37410. #13. NE-24-82-3-6. Western terminus of 35-60 m wide fireguard; soil and woody material piled in middle of line.

2023.06.01

GRL37410. #14. NE-24-82-3-6. Two small clearings (not more than a few acres) on west fenceline. A few areas on bare mineral soil; but most woody material and topsoil spread over area.

2023.06.01

GRL37410. #15. NE-24-82-3-6. Two small clearings (not more than a few acres) on west fenceline. A few areas on bare mineral soil; but most woody material and topsoil spread over area.

2023.06.01

GRL37410. #16. NE-24-82-3-6. Two small clearings (not more than a few acres) on west fenceline. A few areas on bare mineral soil; but most woody material and topsoil spread over area.

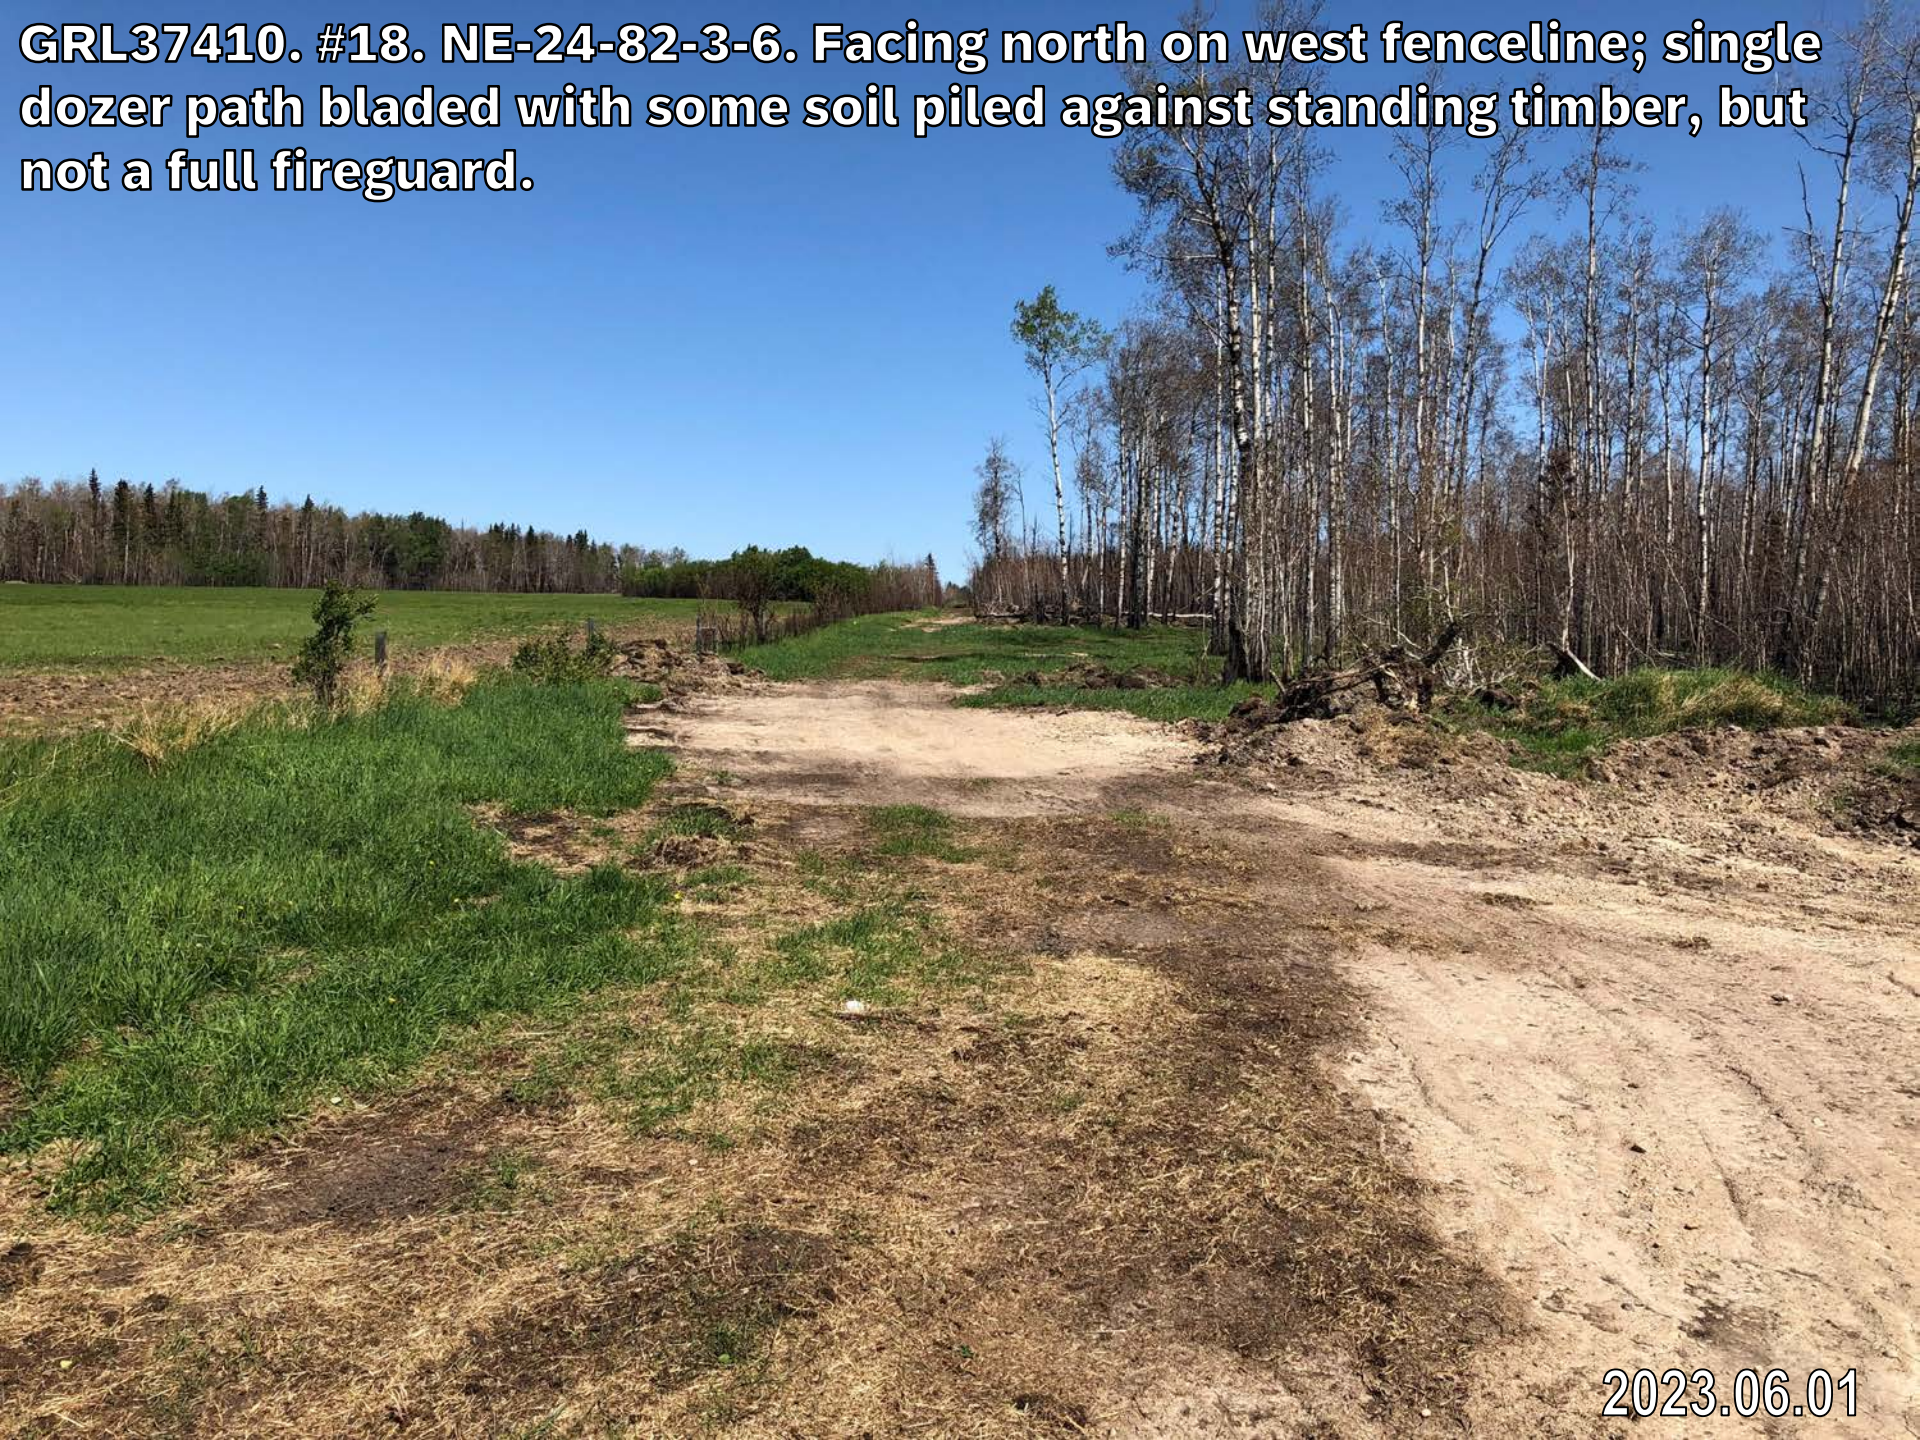

2023.06.01
2023.06.01

GRL37410. #17. NE-24-82-3-6. Facing south on west fenceline; soil piled against fence.

2023.06.01

GRL37410. #18. NE-24-82-3-6. Facing north on west fenceline; single dozer path bladed with some soil piled against standing timber, but not a full fireguard.

2023.06.01

GRL37410. #19. NE-24-82-3-6. Fireguard/trail taken down to mineral soil from main gate on west fence. Mostly existing trail.

2023.06.01

GRL37410. #20. SW-30-82-2-6. Muskeg area completely burned.

2023.06.01

GRL37410. #21. SW-30-82-2-6. Upland forest completely burned.

2023.06.01

GRL37410. #22. SE-30-82-2-6. Existing trail; soil rolled to side; a few leaner trees remaining.

2023.06.01

GRL37410. #23. SE-30-82-2-6. 3-4 m wide trail, terminates in lowland.

2023.06.01

GRL37410. #24. SE-30-82-2-6. South end of east fireguard (50-60 m wide).

2023.06.01

GRL37410. #25. NE-19-82-2-6. 3-4 m wide trail with soil stripped;
approx. 110 m into forest off east fenceline and ends.

2023.06.01

GRL37410. #26. NE-19-82-2-6. Upland forest understory regrowth on east side of lease.

2023.06.01

GRL37410. #27. NE-19-82-2-6. Upland forest understory regrowth on east side of lease.

2023.06.01

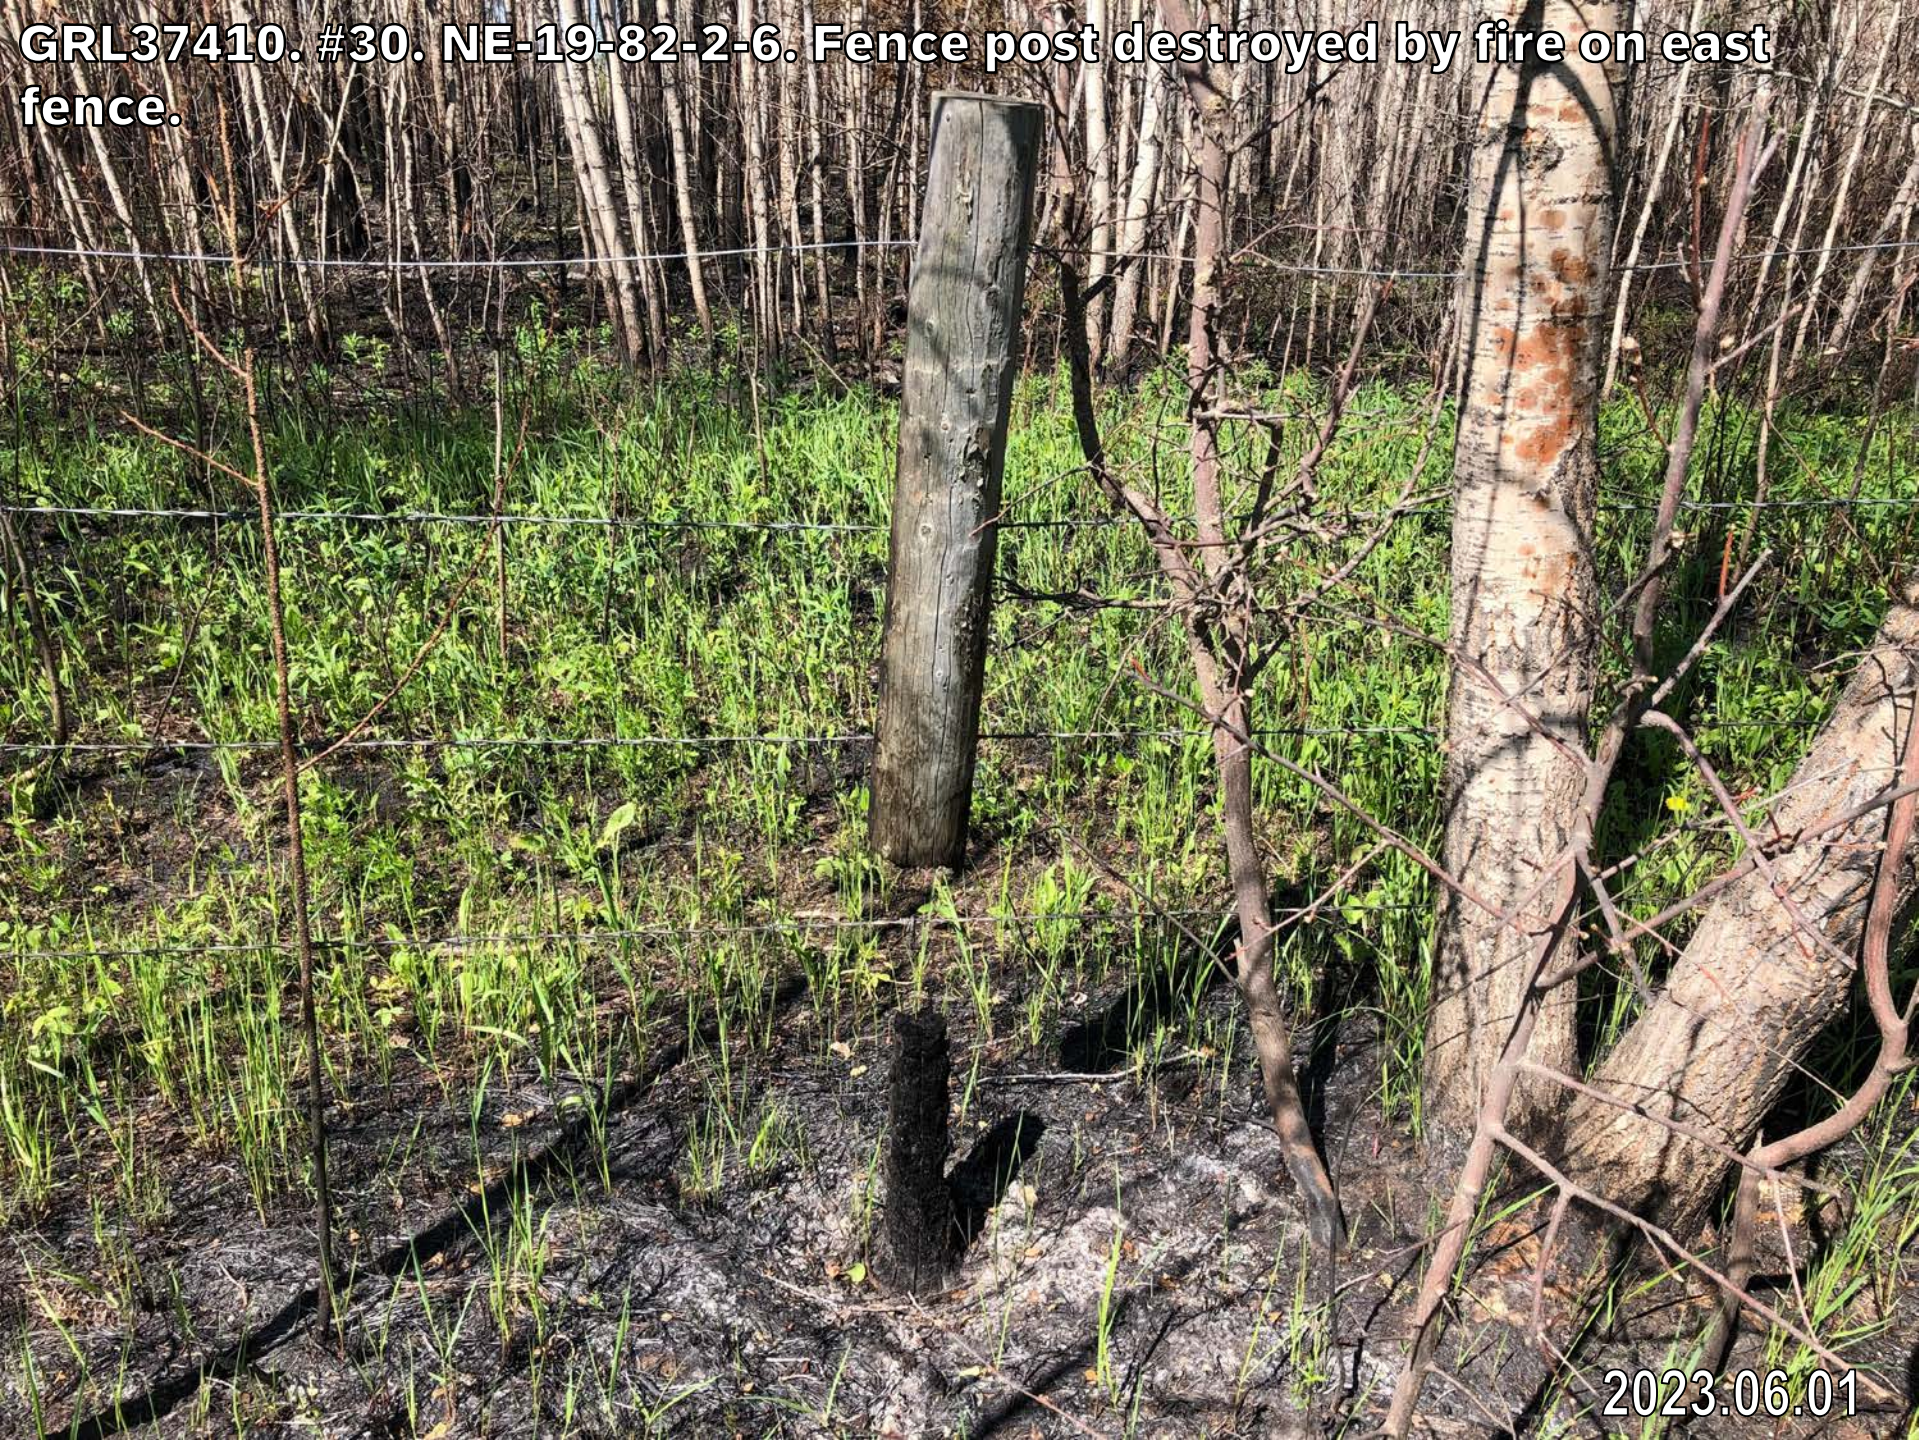

GRL37410. #28. NE-19-82-2-6. Aspen stand completely burned on east side of lease.

2023.06.01

GRL37410. #29. NE-19-82-2-6. Fence post destroyed by fire on east fence.

2023.06.01

GRL37410. #30. NE-19-82-2-6. Fence post destroyed by fire on east fence.

2023.06.01

GRL37410. #31. NE-19-82-2-6. Fence post burned but not destroyed on east fence.

2023.06.01

GRL37410. #32. NE-19-82-2-6. Many posts on east fence only charred on bottom few inches and still salvageable for time being.

2023.06.01

GRL37410. #33. NE-19-82-2-6. 2-4 m wide trail from east fenceline toward lake; soil and debris windrowed against timber.

2023.06.01

GRL37410. #34. NE-19-82-2-6. Soil and debris pushed into bed/shore of lake where trail ends.

2023.06.01

GRL37410. #35. NE-19-82-2-6. 2-4 m wide trail from east fenceline to lake; soil/debris windrowed against timber; water collecting on trail.

2023.06.01

GRL37410. #36. NE-19-82-2-6. Dozer access on east fence; wires cut.

2023.06.01

GRL37410. #37. NW-19-82-2-6. Southern fireguard, 30-60 m wide. Soil and woody material windrowed in middle of line.

2023.06.01

GRL37410. #38. NW-19-82-2-6. Southern fireguard, windrowed material on east shore of lake.

2023.06.01

GRL37410. #39. SE-19-82-2-6. Southern fireguard west from MSL, 50-60 m wide.

2023.06.01

GRL37410. #40. SE-19-82-2-6. Looking north on 50-60 m wide fireguard on west side of lease, north from MSL access.

2023.06.01

GRL37410. #41. SE-19-82-2-6. Looking west on 50-60 m wide fireguard on west side of lease, along MSL access.

2023.06.01

GRL37410. #42. SE-30-82-2-6. Hot spot in peat in northwest part of quarter.

2023.06.01

GRL37410. #43. SE-30-82-2-6. Debris pushed into wetland, northwest of MSL.

2023.06.01
